

The Convention will please come to order. There has been passed up to the Chair a motion under Rule 54-B to reconsider Amendment No. 2 to the amended report S&D-9. That is not exactly correct, it is Amendment No. 2 to Committee Recommendation R&P-1 and R&P-2.

The Chair recognizes Delegate Stern to put the motion.

DELEGATE STERN: I so move, Mr. President, for the reconsideration—

THE PRESIDENT: It is moved that the vote by which the reconsideration of Amendment No. 2 to Committee Recommendation R&P-1 and R&P-2 was rejected be reconsidered.

The motion is supported by the signatures of fifteen delegates. Under Rule 54, it lays over until the second session today, and the Chair refers the motion to the Committee on Calendar.

Delegate Della.

DELEGATE DELLA: I do not know whether I am in order or not to make it a special order of business for Tuesday according to the Chairman of the Committee on Calendar.

THE PRESIDENT: I do not think that is necessary. The Chair will see that it is on the calendar for consideration immediately after the special order now set for Tuesday.

Delegate Stern, the motion you submitted is not in proper form. The Chair in re-stating it also failed to state it in proper form. I take it that you and your supporting delegates desire to move to reconsider the vote by which Committee Recommendations R&P-1 and 2 as amended were adopted, for the purpose of reconsidering the vote by which reconsideration of Amendment No. 2 was rejected.

Is that your motion?

DELEGATE STERN: That is my motion, sir.

THE PRESIDENT: Very well.

The Chair should indicate that it has considerable doubt as to whether or not the second part of the motion is in order. Rather than debate the matter further, we will proceed as previously indicated, but the Chair does not want this to be taken as a precedent for future action. There is no doubt about your right to move a reconsideration of the vote by which the recommendation was approved. There is a

doubt as to your next step and I do not want to have further lost time debating it. I do not want it to be a precedent.

In view of the pending motion, the Chair will not at this time formally refer Committee Recommendations R&P-1 and R&P-2 to the Committee on Style, but I will ask the Committee nevertheless to consider it as though it had been referred.

We now have for consideration Committee on Style Report S&D-15.

The Chair recognizes Delegate Penniman.

DELEGATE PENNIMAN: Mr. President, I can hardly think of an opportunity like this to appear before a group so relaxed, so rested, with so few tensions as we find now. Fortunately, my report is brief. We put in the word "the", we put four capital letters into lower case, and we removed the unnecessary words "of the State Government".

*(Applause.)*

THE PRESIDENT: Are there any questions?

Are there any amendments with respect to the amendment submitted by the Committee on Style?

*(There was no response.)*

The question arises on the adoption of the amendments recommended by the Committee on Style with respect to Committee Recommendation JB-2.

Are you ready for the question?

*(Call for the question.)*

The Clerk will ring the quorum bell.

The question arises on the approval of the amendments recommended by the Committee on Style with respect to Committee Recommendation JB-2.

A vote Aye is a vote in favor of the amendments. A vote No is a vote against.

Cast your vote.

Has every delegate voted? Does any delegate desire to change his vote?

*(There was no response.)*

The Clerk will record the vote.

There being 94 votes in the affirmative and 1 in the negative, the amendments by the Committee on Style are adopted.

Are there any other amendments to section 5.33 of JB-2?
